Hand Sizing Information	
Please include an <b>accurate hand tracing and palm circumference measurement</b> with glove orders.	
 <p><b>To make hand tracing:</b> lay hand flat on paper, fingers moderately spread. Hold writing instrument vertically and trace around hand, without pushing the writing instrument into or angling it toward or away from hand.</p>	 <p><b>To measure palm:</b> wrap a length of string around the widest part of your palm, around the knuckles between index finger and base of thumb. Don't tighten the string into your skin and don't let any hang loose. Measure the string.</p>
